- (b) Memo, AD/OCD, dated 9 January 1948, subject as ref. (a), above, and first endorsement thereto by AD/OO, dated 17 February 1948.
- (c) Memo, AD/OCD, dated 19 March 1948, subject: "Dissemination of FDB Soviet Press Extracts to IAC Agencies."

1. As indicated in recent informal discussions between representatives of our respective Offices, the Soviet Press Extracts will shortly be disseminated to the IAC agencies. The specific requirements of these agencies for the Extracts have been determined by the Requirements Branch, OCD, and a Requirement Directive has been issued to provide for their dissemination.

2. Pursuant to the recommendation made in the OO endorsement of 17 February 1948 (ref. (b)) and concurred in by OCD (ref. (c)), a notice has been devised for publication on the cover sheet of the Extracts to indicate to the recipients the character and scope of the information contained therein. This notice, which was informally coordinated with Mr. Bagnali is attached as Attachment A hereto. It has also been coordinated with FIR [redacted] which concurs in the statement relative to the ICF cards made in the third paragraph.

Notice to be incorporated in the Cover Sheet of  
Soviet Press Extracts

ILLEGIB

This publication contains selected extracts from the Soviet press on items of an industrial-economic nature and closely related topics. Selections have been primarily from provincial ~~organs~~.

Attention is invited to the fact that the coverage represented by this series is not chronologically complete. It is hoped, however, that as this project develops a continuous coverage will be obtained.

Material in this publication which is appropriate for inclusion on the Industrial Card File cards will be placed thereon and processed by CIA in accordance with existing procedures.

Enclosure A
